Project Name

Project Description

Add your project image here

http://aiclub.world

Dataset

Number of samples:

Number of features:

Problem type: Classification

Categories: list of categories

Add your Dataset image here

http://aiclub.world

Metrics

How well did your AI do?

Add image or table of your metrics here

http://aiclub.world

Algorithm Used

Algorithm Description (which algorithm did you use?)

Add any relevant images here

http://aiclub.world

Algorithm Tuning

Describe how you tuned your algorithm. What hyper parameters did you use?

Add any relevant images here

http://aiclub.world

Demo - Code
